## School Bus Policy

### 2010-2011

Gause I.S.D. is proud to provide their students with excellent bus services. However, it is a priority of the school to maintain the safety of its students to and from school whether it is on a daily basis or on a school field trip. That is why it is important that each student follow the school bus policy.

#### Student Bus Rules

1. Stay seated while the bus is in motion.
2. Face forward at all times.
3. Keep your body and other objects inside the bus and to yourself.
4. Keep the aisle clear.
5. Talk in a quiet voice.
6. Silence at all railroad crossing.
7. No food or drink on the bus.
8. All Student Code of Conduct rules apply.
9. No Vandalizing bus
10. You must show respect to the bus driver at all times.

#### Consequences for Breaking the Rules

1. Written warning
2. Loss of bus privileges for three days or next field trip.
3. Loss of bus privileges for two (2) weeks or the remainder of the six weeks (whichever is greater)
4. Permanent loss of bus privileges for the remainder of the school year.

I, \_\_\_\_\_ certify that I have read and agree to the above school bus rules and consequences.
