

## **Gause Independent School District Student Transfer Guidelines**

Students requesting a transfer to Gause ISD must follow these procedures and meet the following criteria:

1. Student must provide documentation verifying excellent attendance in the previous district(s).
2. Student must not have significant (as determined by the Gause ISD Superintendent) discipline issues in the previous district or through the court system.
3. Student must meet academic progress guidelines and promotion standards as set by Gause ISD Board of Trustees through the approval of the Student Handbook. Please see Board Policy FN and FNA for exceptions to this *only* for students requesting a transfer under the PEG program.
4. Student must pass State academic testing requirements (TAKS or other) annually in order to request a transfer.
5. In order to remain a student of Gause ISD, the student must abide by the rules of the Student Code of Conduct.
6. Students must be *eligible* transfers according to the Student Transfer System through the Texas Education Agency. This process requires 24 hours for approval from the Agency.

**Note: Gause ISD will not accept transfers after October 1 in any school year without special approval from the Board of Trustees.**

*Gause ISD reserves the right to accept or reject any student, provided that such action is without regard to race, religion, color, sex, disability, or national origin.*
